

# Why JUST Free Wi-Fi?

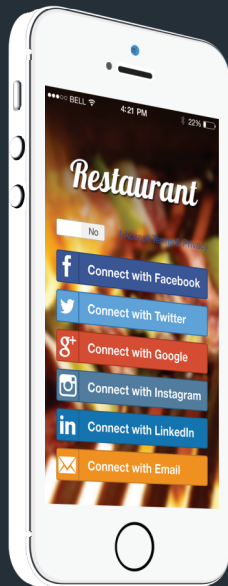

## Generate Customers With Our Social-Powered Wi-Fi Solution!

### Wi-Fi Marketing

With the 'Rise of the Smartphone', consumers want to stay connected at all times. Providing free Wi-Fi will generate real customers, build your email list, increase customer loyalty and engagement as well as improve your social media presence.

### We make it easy!

Use your custom branded log in page to cater to your consumers, all while retargeting customers online after they leave your business. Offer free Wi-Fi in exchange for connecting with Social Media. Run social powered Wi-Fi promotions as well as sponsorship opportunities for your business.

### What We Can Do For You!

**Lead Generation:** Turn your Free Wi-Fi into an automated customer generating machine.

**Design Customized Landing:** That reflects your business, brand and customer.

**Bandwidth Controls:** Set the limit on the amount of bandwidth used.

**In-Depth Analytics:** Learn about your customers and frequency of visits.

**Loyalty Rewards:** Give your loyal customers rewards at log in.
